

UCSF HOSPITAL REPLACEMENT COMMUNITY ADVISORY GROUP (CAG) ACTION TEAM MEETING

May 14, 2007

Agenda Overview and Feedback

- Helipad Update
- Traffic
 - 1999 Mission Bay Infrastructure Plan
 - Traffic Analysis and Forecast
- Site Configuration
 - Pediatric Urgent Care Center /
Emergency Department Access
 - Phasing
 - Character of Mariposa Edge
 - Fourth Street

UCSF Commitment to the Community

- **Will listen**
- **Will be honest and forthcoming**
- **Will be prepared with as much information as is available**
- **Will continue to commit to being a good neighbor to the Dogpatch and Potrero Hill neighborhoods**

Helipad

- **Is critical to support the needs of the surrounding communities, particularly for high risk neonates / critically ill kids / pregnant mothers**
- **Will commit to an actual flight test, scheduled in conjunction with the community, to determine the impact on the community**
- **Will ask for a small group of 5 volunteers from the community to help establish the test parameters and the communication process**
- **Will work with the Community, Supervisor Maxwell, the City and the Port to investigate other waterfront options (Pier 54 / Warm Water Park Area and the UCSF Research Campus)**
- **Will provide information sheets, later in the meeting**

Helicopter Information Sheet

- **Total estimated flights (touch down and take off) 1.4 per day!**
 - Pediatrics – septic shock / organ failure
 - Neonates – life threatening heart defects
 - Pregnant mothers – life threatening severe pre-eclampsia
 - Requires special physician's approval
- **Time of day**
 - 7AM – 3PM Once every other day
 - 3 PM – 11PM Once every other day
 - 10 PM – 7 AM Once every 4 days
- **Estimated time from over water to heliport 1 - 2 min**
Hover time 30 seconds
Run time – 30 sec. – 2 min.
- **Not used for**
 - staff transport
 - transfer out
- **Critical need for disaster situations – Bridge / highway access eliminated – Patient evacuation from hospital.**

Steps for Helipad Approval

- **San Francisco Board of Supervisors**
- **California Department of Transportation
(Caltrans Aeronautics Division)**
- **FAA Airspace Determination**

Revised Site Plan

- **Eliminated the Urgent Care / Emergency Department Entrance on Mariposa**

Immediate Actions On Site

- **Graffiti removed – continuously monitored and eliminated**
- **New 8' fence on Mariposa – Green slats / dust protection**
- **Trim back the ivy / trees**
- **Investigate hydro-seeding on site**
- **Work with Campus Security for more frequent rounds of site**
- **Bi-monthly community walking tours of site**
